

Anleitung W-LAN-Verbindung

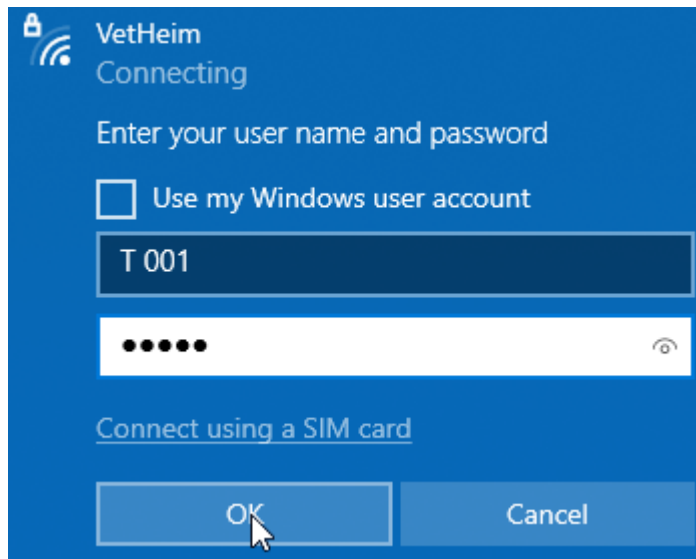

1. WLAN Menü öffnen und auf Verbinden klicken

2. Etwaige Sicherheitsmeldung bestätigen

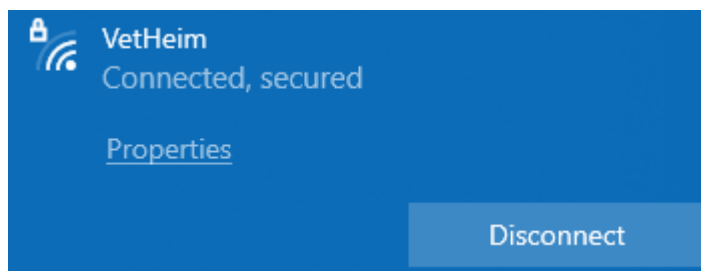

3. Zimmerdaten eingeben:

A Windows-style dialog box with a blue background. At the top left is a lock icon and the text "VetHeim Connecting". Below this is the instruction "Enter your user name and password". There is a checkbox labeled "Use my Windows user account" which is currently unchecked. Below the checkbox is a text input field containing "T 001". Underneath that is a password input field with six dots and a small eye icon to its right. Below the password field is a link that says "Connect using a SIM card". At the bottom are two buttons: "OK" and "Cancel". A mouse cursor is pointing at the "OK" button.

4. Die Verbindung sollte nun hergestellt sein:

A Windows-style dialog box with a blue background. At the top left is a lock icon and the text "VetHeim Connected, secured". Below this is a link that says "Properties". At the bottom right is a button labeled "Disconnect".
